Dear All -

Attached please find the revised MDP, ER and database, all dated 11/20/15 to avoid confusion with prior versions. And in case I don't speak to you before then - Happy Thanksgiving!

Rick - since the files are somewhat large, would you kindly reply to indicate successful receipt of this email? Thanks!

Garen - despite the date change, this version of the database is data-identical to the one we finalized together (the latest version, dated 10/30.) Only two non-data changes have occurred: 1) I deleted an obsolete secondary tab, and 2) the public parcel tab was reformatted (just column widths/wrap text) so that it would have larger font in the MDP. No data changes of any kind.

Warmest regards,

My apologies. Yes, we made the change on the public parcels tab, but neglected to change it on the main tab. I have now adjusted it on my copy as well.

Thank you.

Tara, I just started to look at your latest data file, and I found an error right off. I had mentioned this to you in a previous email, but you list parcel 4286030903 as a STATE parcel, when it's actually a CITY parcel. It's correct on the "publicly owned parcels" tab, but in the main data, it's wrong. I have corrected it on our copy.
